

Voyager Carmel Center – Art and Cooking

Homeward Bound of Marin is the county's main provider of shelter and supportive housing for homeless individuals and families. Voyager Carmel Center serves 36 adults who live with mental illness, creating a community for stability and growth with support from our 24-hour on-site staff.

Volunteer Opportunities:

Leader for Small Cooking Groups -- Are you a competent cook and a compassionate leader? Do you want to encourage growth and independence for people with mental health challenges? We are looking for a professional cook or knowledgeable home cook to lead a regular class (1x or 2x monthly) for 1 to 4 people who will learn to make a simple meal in our kitchen. Day and time are flexible according to your schedule (afternoon or evening preferred.) All you need to bring are creativity, patience and culinary know-how. Materials and ingredients will be provided by Homeward Bound.

Art Teacher – Provide an outlet for personal expression through art! Our residents will love to get creative with regular projects that you design and lead (1x or 2x monthly) for small groups. If you have experience or training in art and/or teaching, we look forward to hearing your ideas. Day and time are flexible according to your schedule (afternoon or evening preferred.) Materials can be provided by Homeward Bound.
