

The Key Circle

Your commitment to a legacy gift supporting Homeward Bound of Marin entitles you to lifelong membership in **The Key Circle**, a group of honored investors in the future of our mission to end homelessness.

The benefits of membership begin when you declare your intentions and include an annual reception with exclusive updates on the programs that you will help fuel for years to come. Members of The Key Circle receive:

- A certificate of membership
- An insider update each year from Executive Director Mary Kay Sweeney with news about the impact of your life-changing support for families and individuals facing homelessness.
- An invitation to our exclusive annual reception to meet Homeward Bound's Leadership Team and other members of The Key Circle.
- The opportunity to be listed by name in the Homeward Bound Community Report published yearly and on our website.

To join The Key Circle, just print out the **Declaration of Intent** and return to us. With your warm-hearted generosity, you play a key role in extending critical help in times of crisis and opening new doors to independence in the years to come.

"There is no organization better at taking a holistic and 'whole person' approach towards ending homelessness, one individual at a time. I am proud of the work that Homeward Bound of Marin does and I want to support the organization in perpetuity." – Marion Weinreb
