**We Still Need  
Your Help to  
Open Doors for  
People in Need**

## **Introducing Jonathan's Place!**

Homeward Bound of Marin is celebrating the opening of our new shelter and housing program in San Rafael! We're naming the new center "Jonathan's Place" to honor a special donor's son, who experienced homelessness in Marin.

Jonathan's Place has four floors with covered parking, a shelter with 40+ beds and two upper floors with 32 units of permanent supportive housing. Housing tenants will pay affordable rents, with each floor sharing a kitchen and community room.

Construction began in 2021 on the site where Homeward Bound has operated Marin County's year-round shelter services for adults since 1986.

The 32,000-square-foot building will serve the most vulnerable people in our community with round-the-clock staff for added support.

# You Can Fill Plates and Hearts at Jonathan's Place

## Nightly Meals

Support people taking their first steps out of homelessness by making a donation to provide meals for residents. It costs \$500 to provide meals every night for this new shelter and housing community.

## Room Sponsorships

With a gift of \$50,000, you can help someone end their struggle with homelessness forever by sponsoring one of 32 housing opportunities at Jonathan's Place, which we will name after sponsors or their loved ones.

## Rainy Day Fund

With the goal of setting aside \$100,000 in operating reserves, we are seeking community support to ensure the successful launch of this new program and maintain ongoing services.

## How to Help
