

Jonathan's Place is a sparkling new building that hosts year-round shelter services for adults and supportive housing for 32 people on the upper floors. You can help launch services for individuals taking their first steps out of homelessness.

Volunteer Opportunity: Meal Providers, Cooks and Kitchen Ambassadors

Homeward Bound of Marin is seeking groups and individuals to join the rotation of monthly meal providers at Jonathan's Place.

We need individuals and groups that can commit to provide a meal or serve one night a month.

Contact Volunteer Coordinator **Andrea Rey** at arey@hbofm.org or 415-332-5521 for more information about Jonathan's Place and how to bring your cooking to those at the "front door" of their journey out of homelessness. Thank you!
