

Volunteer Opportunity: Painting Team

Our shelter and housing programs around Marin provide year-round services to adults and families moving out of homelessness. Whether they accommodate 80 people or a handful, all need occasional attention to refresh the paint and maintain a welcoming environment.

We are looking for small teams (**5 to 7 volunteers**) or individuals to help paint hallways, doors, fences or more areas that may need care. interior hallway walls at the shelter. This project offers a tangible way to help provide warm, dignified spaces while learning about our housing-focused services.

You and/or your team will use materials provided by Homeward Bound of Marin and collaborate with our staff on all aspects of a project.

Volunteer requirements:

- Basic painting experience
- Ability to work neatly and follow directions
- Reliability and commitment to the full project
- One designated group leader to communicate with staff
